From the Florida Coast Come
Harrowing Stories of
Recent Cyclone.

STEAMER ST. LUCIE LOST

AWFUL HAVOC IN CENTRAL AMERICA.

Miami, Fla., Oct. 19.—The steamer St. Lucie, Captain Bravo commanding, has sunk off the Florida coast. One of the extension steamers arrived in port tonight, bringing sixty injured, who were taken to the hospital, and it is said twenty-eight dead bodies will be brought up tomorrow. It is believed now that a part of the Florida Fish & Produce company's fleet was destroyed. Manager Adams sent out one of their boats this morning to look for the men and boats and on their return they reported no signs of the fleet. The fishing nets were found strewn upon the shore.

Hundreds of Lives Lost.

Captain Bravo says that he anchored on the lee side of the Elliott Key, twenty-five miles south of Miami, yesterday morning and soon afterward a tidal wave engulfed the island. He says there were 250 residents on the island, all of whom were lost. The St. Lucie was crushed by the same wave and of the 100 passengers on board twenty-five were killed. Captain Bravo was seriously injured.

Fifty Passengers Drowned.

A barge containing 100 people is said to have been torn away from its moorings at Elliott Key and afterwards picked up near the Bahama Islands, fifty of her passengers having been drowned.

The Lucie's home port was Tampa. She was built in Wilmington, Del., in 1888, was of 105 net tonnage, 122 feet long, 24 feet in breadth and four feet depth. She was usually manned by a crew of thirteen. The St. Lucie had formerly been in service at New Haven. Details are lacking.

DEATH AND DESTRUCTION.

Tempest Raged for Ten Days in Republic of Salvador.

San Salvador, Oct. 19.—A tempest has raged incessantly for ten days throughout the republic, flooding the rich valleys, principally that of Majada, and resulting in great loss of life and the destruction of cattle and crops.

The San Salvadoran man-of-war Kizako was lost at Acjutia. The topography of various departments has been changed, buildings have fallen, burying their tenants in the ruins, and the iron bridges over the principal rivers have been carried away.

Upwards of 15,000,000 tons of water has fallen. The aqueducts and electric light plants at Sonsonate and Salvador have suffered heavy losses.

Business Paralyzed.

Today the storm is abating. The railroads, telegraph and commerce are paralyzed, but traffic is being restored in some towns of the republic.

The water mains at some places have disappeared.

The rivers are bringing down the bodies of persons drowned in the storm and the carcasses of cattle, and the sight of these tend to increase the terror of the people.

The losses are incalculable. The government has issued orders that assistance be given victims of the storm.

Guatemala and Honduras also have suffered severely. It is said the losses there will amount to many millions of dollars.

NOW RAGING IN ATLANTIC.

Effect of Storm Felt off South Carolina Coast.

Washington, Oct. 19.—The tropical hurricane which swept from Cuba to the Bahamas, now appears to be raging with full force about 200 miles out in the Atlantic, its only shore effect tonight being a falling barometer and a 25-mile wind blowing off the South Carolina coast.

It is still hazardous for coasting craft along the middle and South Atlantic coasts. The hurricane, according to Forecaster Henry of the weather bureau, seems to have been temporarily checked in its northeastward movement and has not advanced in the past twelve hours nor do the indications point to any change in the next 24 hours. Another storm is developing in Colorado.

FRENCH CABINET RESIGNS.

Premier Sarrien Obligated to Quit on Account of Health.

Paris, Oct. 19.—At the cabinet this morning Premier Sarrien officially informed his colleagues that he has transmitted his resignation to President Fallieres, whereupon the ministers resigned in a body.

President Fallieres will return to Paris tomorrow. The selection of H. Clemenceau to form a new cabinet is looked upon as a foregone conclusion.

The session lasted only twenty minutes. After M. Sarrien had submitted the text of his letter to President Fallieres, expressing regret that the state of his health compelled him to retire, and thereby raise new difficulties at a moment "when the Republic must be united and strong, to meet the attacks being ordered against it," M. Bourgeois wrote a collective letter, which all present signed, joining their resignations to that of their chief.

ALLEGED THIEF IS CAPTURED IN IDAHO

(Special to The Herald.)

Boise, Idaho, Oct. 19.—Sheriff Ambrose of Canyon county, Oregon, tonight arrested Fred De Ford, formerly of Canyon City. The latter formerly ran a butcher shop in that place. About three months ago he disappeared and an investigation is said to have developed the fact that he stole a great amount of beef. In fact it is said he seems to have stolen all the meat he handled. De Ford was recognized at the fair here by a man who knew him. The latter wired the sheriff and the fugitive is now in custody. Ambrose left tonight with his prisoner. De Ford at first was ugly, but he finally consented to go without extradition.

TELLS STORY OF KILLING

James H. Crawford Relates History Leading up to His Shooting C. C. Lockhart.

The murder trial of James H. Crawford, the colored man who shot and killed C. C. Lockhart, also colored, at the corner of Twenty-fourth street and Washington avenue, on Sept. 27, was again before District Judge Howell yesterday. The prosecution rested during the day and the taking of testimony for the defense was commenced. The defendant was put on the stand in his own behalf after a number of officers had testified concerning appeals made to them by Crawford for protection. A number of reputable citizens testified as to the prisoner's good reputation. It is expected that the case will go to the jury today. As soon as the defense rest their case the prosecution will likely make an effort to impeach the testimony of the defendant.

James H. Crawford, the defendant, was the last witness of the day and was on the witness stand when court adjourned. Crawford said that he was born in Tennessee, went to California eight years ago, where he worked as a porter and cook for the railroad company for several years, after which he was made registering clerk for the California state legislature. He came to Utah about two years ago. He then notified the county and city officers and sought permission to carry a gun for the protection of his life. He was referred by all to the city attorney, who was too busy at the time to advise him on the matter.

Receiving the incidents directly connected with the killing, the prisoner said that about 6 o'clock in the evening of the day the tragedy occurred he was at work with some papers in one of the front parlors of the Elks club, which he had been Lockhart walking to and fro on the opposite side of the street and looking up at the club windows. This was about an hour before the shooting. He left the club about 6:30 o'clock and walked over to the corner of Twenty-fourth street and Washington avenue. Lockhart came from behind a barber pole, who he had concealed himself, and made some remark which attracted his attention. When they were about two feet apart, Lockhart asked Crawford if he was prepared to defend his life and at the same time drew his right hand, in which he clasped a knife, from his coat pocket and made a lunge at Crawford's throat. Crawford protected his throat with his left hand, and the knife was thus knocked from Lockhart's hand. He then followed the man he killed as he backed away toward the barber shop and down the steps, when Crawford testified that Lockhart grabbed the gun. He warned Lockhart to let go of the revolver, as he might get shot, and while he attempted to try to get the gun from his hand the weapon was discharged. He said his purpose in following Lockhart after the knife had been knocked from his hand was to try to get the gun away so that he would be arrested.

The witnesses preceding Crawford were police officers who testified that they saw Crawford's having appealed to them for permission to carry a gun, and to the advice they gave him to place Lockhart under bonds to keep the peace. He testified as to the character of the defendant.

Corner-Stone Is Laid.

The corner stone for the new addition to the Weber Stake academy was laid before a large crowd yesterday afternoon. To accompany of an organ the student body, under the direction of Professor J. E. Ballantine, sang a selection, and Principal McKay delivered the invocation. President Shaffert, E. H. Scowcroft and A. T. Wright made addresses.

Death of Mrs. Walker.

Mrs. Rufe Walker died shortly after 3 o'clock yesterday morning at the home of her daughter, Mrs. Hannah Bowman, rear of 26th Jefferson avenue. Death was due to catarrhal pneumonia. Mrs. Walker was 85 years of age, and came to Ogden from England in 1877. She is survived by two daughters, two sons, thirteen grandchildren and eight great-grandchildren. The funeral will be held at the West Weber meeting house at 12 o'clock noon tomorrow.

IN SESSION AT PROVO

State Congregational Association Meets at Provo With Rev. P. A. Simpkin Acting Moderator.

Provo, Oct. 19.—The twenty-fourth session of the State Congregational association of Utah is now in session at the First Congregational church of Provo. Rev. P. A. Simpkin of Salt Lake was elected moderator of the association. The report of all the churches of the denomination in the state show a very healthy and encouraging growth. There are several reports of new work which will be entered in the near future.

Owing to the absence of the moderator, Dr. J. D. Kingsbury, Rev. P. A. Simpkin was elected temporary moderator of the association. Rev. N. L. Elderkin was elected permanent moderator, and Rev. R. S. Nickerson scribe.

The following is the program as rendered, and for tomorrow:

Thursday evening, 8 o'clock—Association sermon, Rev. J. Challen Smith. Communion service in charge of Rev. S. H. Goodwin and Rev. R. S. Nickerson.

Friday morning, 9 o'clock—Devotional service, led by Rev. W. V. Davis.

9:15—Organization. Business.

10—Reports of churches; reports of home mission committee; reports of home society superintendent. Association topic: "Preach the Gospel."

11—Address: "What Is the Gospel We Preach?" Rev. W. V. Davis.

11:45—"The Layman and His Preaching." L. H. Page, read by Rev. P. A. Simpkin.

12—Adjournment.

Friday afternoon, 2 o'clock—Woman's Missionary union of Utah. Devotional service; reports of secretary and treasurer; business; reports of auxiliary societies. Paper, "Woman's Work in the World," Mrs. R. S. Nickerson. Music.

"Current Events of the Past Year in the Mission Field." Miss Sylvia Woodman, Phillips church. "The Evolution of Our Missionary Societies," response from each society.

Saturday morning, 9 o'clock—Devotional service, led by Rev. H. C. Tracy.

9:15—Reports of schools and academies; report of Congregational Education society superintendent.

10:30—Paper, "The Debt of the West to the Christian School," Edward Merrill.

11—Paper, "The Will as a Subjective Element in Education," Principal Clark, Gordon academy.

11:20—Discussion.

11:30—Business.

Teachers' conference and round table was held yesterday afternoon, 2:30 to 5 o'clock, in the High school room at Proctor academy.

The following is a synopsis of the association sermon delivered by Rev. J. Challen Smith last evening:

Smith took for his text, Col. 1, 2:

COAL SHORTAGE RELIEVED.

Rio Grande Brings in Train and Plenty More Promised.

Relief in an unexpected quantity came for the local shortage of coal yesterday, when the Rio Grande delivered a number of cars. With the addition of twenty new engines and more rolling stock, recently put on, the Rio Grande expects soon to be able to deliver a steady stream of coal for the points in need along their lines. Agent Cronin of the Rio Grande Western here takes an optimistic view of the situation. He says that the Rio Grande Western has recently put on twenty new engines between Salt Lake City and Grand Junction, and with the addition of a large number of large steel coal cars there ought to be rolling stock and motive power enough to handle the coal situation.

MUST STAND TRIAL.

Judge Howell Overrules Demurrer of Hulaniski.

Judge J. A. Howell yesterday handed down a decision denying the demurrer of the defendant in the action of J. D. Sikes against County Attorney E. T. Hulaniski. The defendant's demurrer questioned the authority of the district court in its holding that the county attorney was a state officer and as such was amenable only to the state legislature in impeachment proceedings. Judge Howell differed in this opinion and ordered the case to trial immediately following the close of the Crawford murder trial.

Board of Education Meeting.

The finance committee of the board of education last evening reported having negotiated the \$10,000 authorized at the previous meeting, also that they received \$3,000 from this year's taxes, and after the current expenses had been paid, there was a balance of \$4,000 in the treasury.

A case of diphtheria was reported in the home of George Larsen, on Sixteenth street.

Professor Jesse Beeson was elected instructor in mathematics in the High school.

A bill for \$331 in favor of Frank Lauer for work on the Lewis school, was ordered paid.

Luncheon for Employees.

The Union Pacific is about to adopt an innovation for caring for employees who are connected with the commissary department in this city. As soon as the new ovens for the depot hotel are installed the employees of the laundry department will receive at noon of each day a luncheon free of charge. The employees of the other departments of the commissary will also receive this courtesy at the same time.

Ogden Briefs.

Judge Howell yesterday granted a divorce to Dora Jacobsen from Carl F. Jacobsen, drunkenness and non-support were alleged.

Joseph Bempke, who was convicted on a charge of embezzlement several days ago for stealing a horse, was sentenced to two years in the state prison by District Judge Howell yesterday.

The date for the holding of a meeting to perfect plans for the establishing of a Press club in Ogden has been changed from Sunday until 4 o'clock Monday afternoon, at 2484 Washington avenue.

Hiram S. Little, aged 6 years, died early yesterday morning at the home of his parents, 2290 Washington avenue, of appendicitis. The funeral will be held at the First ward meeting house at 2 o'clock tomorrow afternoon.

Superintendent E. C. Manson of the Southern Pacific returned yesterday from the north, where he went with the Jacob H. Schuster party, and later in the day left with Master Mechanic J. P. Dunn for a trip to Sparks, Nev.

The funeral of Thomas Biglian, who was killed at Croydon a few days ago, was held at the Elks club yesterday afternoon at 3 o'clock. The casket was borne by the members of the Elks club, and the funeral was conducted by the service.

A petition for letters of administration in the matter of the estate of W. L. Syphers, deceased, was filed in the district court yesterday by Mrs. E. M. Syphers. The court is asked to grant letters of administration to Grant Syphers. The estate consists of personal property valued at \$100 and a cause of action against the San Pedro, Los Angeles & Salt Lake Railroad company.

Appeals to the supreme court in the damage cases of J. H. Winslow and William Murray vs. the Union Pacific Railroad company have been filed by the defendants. Both cases were tried in the district court yesterday.

The former was the express messenger on No. 3 that was wrecked at Azusa a year ago and secured a verdict of \$3,000. The latter was the engineer on No. 2, and was given a verdict of \$4,250. Motions for new trials were denied by Judge Howell in July.

"I fill up that which is behind of the affliction of Christ in my flesh for his body's sake."

The church is represented by Paul as the "body of Christ," Christ himself being the "head." The union of the members with Christ and each other is most intimate. Christ, while on earth, was special work; now as he sits at the right hand of the Father, he continues this work through the church, "his body," in whom he dwells and who suffers in carrying on his ministry; now the church must carry forward that suffering, "filling up that which is behind of his afflictions." This is the perpetual passion of the church. There is joy in that suffering for the church, because the church is united with Christ, who is honored suffering, and made it a great means of redemption.

DEATH OF MRS. DANIELS

Aged Resident of Payson Succumbs to Attack of Pneumonia.

Payson, Oct. 19.—Mrs. Jane Ann Daniels, an old and very respected woman of this city, died at her home in this city at 11:30 last night. The cause of her death was pneumonia, which she contracted several days ago, together with general debility, she being 72 years old. Mrs. Daniels was born Feb. 16, 1834, in Bethany, Genesee county, N. Y., and came to Utah in 1852, settling at Santaquin, after which, or during the Indian outbreak, she moved to Payson, where she had resided ever since. In 1855 she was married to Thomas E. Daniels. As a result of the marriage, ten children have been born to them. Besides the husband and children, forty grandchildren and five great-grandchildren are left to mourn her death. Funeral services will be held at the Second ward meeting house Saturday afternoon.

Wallace Clark, an old-time resident of Payson, died Thursday at a recent illness. Mr. Clark would have been 86 years old next January. He leaves a wife and several children to mourn his loss.

Two births, a boy to Mr. and Mrs. George Dockstead, Tuesday, and a girl to Mrs. Emma R. Morris, Sunday, are recorded the past week.

WOMAN

"Woman" is the name of a new magazine for women. The first number is just issued. Your newsdealer has it. You can get it from him, and it is worth your while getting it. There is nothing startling about this magazine. There should be nothing startling about a decent magazine for women and the home. But this particular magazine is unique among all the so-called publications for women. You might not like it a little bit, and then, again, it might hit your fancy good and hard.

If you like fiction—good, wide-awake, snappy stories—both serials and short stories—you will like "Woman." In fact, fiction is the big feature of the magazine.

All the other magazines for women are cast on the same model—a little bit of fiction, a few articles, more or less chit chat, some wise advice, a fashion department and a smattering of general miscellany. "WOMAN" doesn't look any more like this conventional model than a yellow dog looks like a race horse. It is built on new lines for a strictly woman's publication. To know what it is like you will have to get a copy of it. It would cost too much to tell you all about it in this advertisement.

The price of "WOMAN" is TEN CENTS A COPY, and the magazine is a very big one—192 pages.

By the way, two rattling good serial stories begin in this first number and it contains a big lot of other good things. You would do well to ask your dealer for it before his supply is exhausted.
